Student Handbook Verification

All students in the Counseling Psychology program are expected to familiarize themselves with the contents of their program handbook and to ask their advisors and/or other program faculty about any issues that are unclear to them. This form is used to provide verification to the program that our students have (a) received the appropriate student handbook, (b) have familiarized themselves with it and with the program and policies it covers, and (c) have been advised and encouraged to consult with their advisors and/or other program faculty for clarification on program policies and related issues.

This form must be signed and returned to the program coordinator or director within the first 6 weeks of students' first fall enrollment in the program.

My signature below indicates that I have received and read the student handbook for my Counseling Psychology doctoral program, have asked questions about any issues that are unclear to me, and know to that I may ask additional questions as they may arise.

Also understand that any exception to the program's information and policies must be authorized by the Counseling Psychology core faculty, as defined by the program. Petitions for an exception must be submitted in writing through the Training Director.
