1. Review of Graduate Fellowship Nominations and Graduate Student Awards: The main purpose of the meeting was to review and rank the nominations submitted for the graduate recruitment fellowships (Ross/Andrews and Purdue Doctoral Fellowship), the Bilsland Dissertation fellowship, and the Graduate Student Awards (Dissertation and Teaching). The procedures followed by the Committee were as follows:
   a. Criteria and rubrics for each fellowship/award were used.
   b. Committee members had available the documents provided with each nomination as well as the ranked lists of nominees submitted by each section.
   c. Committee members provided their ranked list of nominees for each fellowship group (e.g., Ross/Andrews, Purdue Doctoral Fellowship) and reviewed the extent to which there was consensus on specific nominees.
   d. Discrepancies were resolved through discussion and final rankings were established.
   e. The Chair of the Committee will submit a memo to the department head with the Committee’s recommendations.

2. Form 40 Approval: Change of Title for EDPS 50500: The rationale for the change in title (form “Career Theory and Information” to “Foundations of Career Development and Assessment”) is needed to more accurately reflect the course content. This request was unanimously approved.

3. Review of COE Graduate Dismissal Policy: The committee reviewed the policy and minor edits were made. The comments and suggestions contributed by Nancy Myer via email were also considered. The Chair will forward the committee’s edits to Associate Dean Lehman.

Next C&G will be on March 7 from 2 - 4 p.m. in Room 3299.
