EDST Curriculum & Graduate Committee
January 13, 2013
Meeting Conducted Via Electronic Communication & Vote

Voting members: Y. Mantzicopoulos, E. Bouck, M. Hirth, A. Ciftci
Non-voting members: K. Dietz, R. Satsangi
Minutes Prepared by: Youli Mantzicopoulos

1. Discussion and Action Items: The committee did not hold its regularly scheduled face-to-face meeting as only one action item was submitted for discussion and vote. As noted below this item involved minor changes to an existing course (EDPS 23500).

   - Educational Psychology – EDPS 23500—Learning and Motivation (Initiated by Michael Yough). The Educational Psychology faculty requested minor revisions to EDPS 23500 to accommodate the inclusion of the course in the University’s Core Curriculum. The requested changes were: (a) a slight adaptation of the course description; (b) the addition of a summer offering; (c) the addition of course outcomes. The committee reviewed this request and voted via email. The vote was unanimous to approve the requested changes. Minor edits to Form 40 were also preapproved. Changes to this form are considered minor and do not require faculty vote. The signed documents will be forwarded to the College Curriculum Committee.

2. Announcements: The next meeting of the Committee is on February 10, from 2:30 - 4:30 (BRNG 6115). This meeting is reserved for the review of graduate student awards and fellowships. Only voting members attend this meeting.
